

## Prepare For Your Appointment

Each patient is different, and every breast cancer is unique. It's important to take an active role in your care and learn about your individual breast cancer diagnosis. You should always feel comfortable asking your doctor questions about your care and treatment options.

Consider these questions to help you gather information about your cancer:

Q: What stage is my cancer?

A:

Q: Is my cancer invasive?

A:

Q: Am I a candidate for Oncotype DX<sup>®</sup> or other diagnostic tests?

A:

Q: Has my cancer metastasized?

A:

Q: What is my lymph node status?

A:

Q: How large is my tumor?

A:

Obtain a copy of your pathology report from your doctor to help you stay informed about your breast cancer and treatment options.

Get a list of personalized questions tailored to your individual diagnosis through the My Breast Cancer Coach questionnaire at [www.mybreastcancercoach.org](http://www.mybreastcancercoach.org).
